## Terms and Conditions

### Cancellation fees

In case of Cancellation please inform Experiment immediately!

### Accommodation

The guest house has double rooms. I agree to share a room with another participant of the same sex.

### Participation in the Program

I agree to take part in the program of the Summer School on Renewable Energies according to the daily schedule. If I should be sick and unable to participate one day, I will inform the group leaders immediately. I understand that the purpose of my stay in Germany is to actively participate in the Summer School and all its program items.

### PLEASE NOTE!!!

*It is prohibited by German law to provide media files (mp3, mp4, etc.) for other online users to download via "P2P" platforms or software (such as BitTorrent, eMule, LimeWire). When downloading media through these platforms, the files are simultaneously offered to other users. Offense against this law is persecuted and can result in high fines of up to 3000 Euros. Therefore, participants must refrain from downloading music or movie files from other sources than official online stores like "iTunes" or "Musicload". In case students are requested to pay a fine after breaking this law, they are obliged to pay it, and EXPERIMENT e.V. will not take any responsibility*

I hereby agree to the terms and conditions.
